STEWARDSHIP APPEAL 2022 | HOLY TRINITY LUTHERAN CHURCH

YOUTH MINISTRY EXPANSION

An exciting year is ahead of us with plans to expand our youth program! We will be encouraging a close relationship with their creator and helping them to build strong, lifetime bonds with each other. A special needs event is also being planned to reach out to those unique individuals in our community and to aid in nurturing their spirituality and growth as Christians.

To meet this and our remaining two ministry initiatives for 2022, we need an additional \$488 per week. By investing in our youth, we will see a joyful and blessed return on investment as we watch them grow into strong, faithful members of our congregation.

ABUNDANTLY BLESSED - JOYOUSLY GIVING!

Our gifts and offerings, joined together, accomplish ministry which is blessed by the Lord. This chart provides a picture of our current giving. As you read this gift chart and find the level of your current offerings, we invite you to consider the following questions:

- † *How does my giving level compare with other ways I use my money?*
- † *How adequately does my giving reflect my gratitude to God for all the blessings I receive?*
